IKE STRIKES: NORDYNE CANCELS HOUSTON ROAD SHOW

St. Louis, September 18, 2008 — As Houston recovers from the devastation caused by Hurricane Ike, many facilities are temporarily closed. Such is the case with NORDYNE's venue for its October 15 Regional Road Show. Without a place to host the show, NORDYNE is cancelling the event.

The two other October Road Show events are proceeding as scheduled:

October 13, 2008 New Orleans, La.

October 17, 2008 Dallas, Texas

“We scrambled to find another space to accommodate all the equipment, but there just isn't anything available,” explains Doug Jones, vice president of marketing and sales for NORDYNE. “Our sympathies go out to the residents of Houston as they deal with this terrible disaster.”

For more information and to register for New Orleans or Dallas, distributors and contractors should visit www.NordyneRoadShow.com.

A trusted name in the industry, NORDYNE designs and manufactures heating and cooling products for premium brands such as Maytag, Frigidaire, Westinghouse, Tappan and NuTone. The company's 23-SEER air conditioner with iQ Drive[®] received the prestigious 2008 AHR Expo Product of the Year award. NORDYNE is headquartered in O'Fallon, Mo., with manufacturing plants located in the central United States. For more information about NORDYNE and its product offerings, please visit www.nordyne.com.
